75 claims.

76 77 4.4 Release Time.

78
79 (a) Fall and Spring Semester:
80 Each semester (Fall and Spring) the Board of Trustees and the University
81 Administration shall provide release time to full-time faculty members designated

83 faculty and administering this Agreement, on the following schedule:

- 84 • Fall Semester: 3 units
- 85 • Spring Semester: 3 units

89 week, which shall include a corresponding 25% reduction in assigned
90 duties.

UNF – UFF Collective Bargaining Agreement 2017-2020

- 92 (2) A faculty member may receive more than one “unit” of release time per
93 semester, up to a maximum of two units per semester.
94
- 95 (b) Summer.
96
- 97 (1) The UFF may designate a total of two (2) faculty members to receive a

106
- 107 (c) Release Time for Collective Bargaining.
108
- 109 (1) In addition to the above, a total of 2 additional units in the Fall, Spring, or
110 Summer term, shall be granted when the parties are negotiating a
111 collective bargaining agreement. (One “unit” of release time during the
112 Fall and Spring semesters consists of a reduction in teaching load of one
113 (1) course for instructional faculty or, for non-instructional faculty, a
114 reduction in workload of ten (10) hours per week, which shall include a

117
- 118 (2) ~~The parties will endeavor to complete collective bargaining negotiations~~
119 ~~during the semester in which they begin. In those years when the parties~~

122 ~~designate two additional semester release assignments for the succeeding~~
123 ~~term.~~
124
- 125 (d e) Salary increases while on Release Time.
126
- 127 (1) Faculty members on release time shall receive any across the board,
128 guaranteed minimum, or market equity/compression/inversion salary
129 increases on the same basis as other faculty members. This section shall
130 not be construed to limit a faculty member on release time from earning a
131 merit increase if the faculty member otherwise met the eligibility
132 requirements for merit increases. In evaluating whether a faculty member
133 on release time is eligible for a merit increase, the merit score will still be
134 computed by weighting the teaching component by the appropriate
135 percentage as listed in Article 28 regarding Salaries. The fact that the
136 faculty member had a reduced teaching load will not be used as a basis for

UNF – UFF Collective Bargaining Agreement 2017-2020

- 137 reducing the points assigned for the teaching component of the faculty
138 member's merit score.
139
140 (2) Release time activities shall not be evaluated, but such activities shall be
141 considered university service and the University Administration shall not
142 take reprisals against any faculty member for using release time.
143
144 (e) The UFF may designate faculty to receive release time during the academic year,
145 and Summer Term provided that:

147 (1) In departments with ten (10) or fewer faculty members, no more than one
148 (1) unit of release time shall be assigned, unless agreed to by the
149 department supervisor.
150
151 (2) The UFF shall provide the University Administration with a list of
152 designees for the next academic year no later than April 1. Upon approval
153 of the designees by the University Administration, the designees shall
154 receive the release time for one (1) academic year, unless the University
155 Administration is notified of a substitute for the Spring semester.
156 Substitutions for the Spring semester shall be made upon written
157 notification submitted by the UFF to the University Administration no
158 later than November 15. The UFF shall provide the University
159 Administration with a list of requested designees for Summer Release
160 Time no later than April 1 of the academic year preceding the summer
161 term.
162
163 (f) Faculty members on release time shall retain all rights and responsibilities as
164 other faculty, but shall not be considered representatives of the Board of Trustees
165 or the University Administration for any activities undertaken on behalf of the
166 UFF. The UFF agrees to hold the University Administration and the Board of
167 Trustees harmless for any claims arising from such activities, including the cost of
168 defending against such claims.
169
